

**Name:** Brookhaven

**Location:** Florida Panhandle Area

**Market:** Municipal Wastewater

**Application:** Residential Subdivision

**Size:** 12' dia. x 28'-6" Wet Well

## **PROJECT PROFILE** **Municipal Wastewater** **Wet Well**

*This was a 12' dia. x 28'-6" Deep Fiberglass lift station package for a residential subdivisions wastewater. This tank featured 6" duplex discharge, FEA engineering, and over sized hatches. Overall this was a simple standard wetwell that was delivered on time and fit the exact needs of the client*

### **Why work with us?**

- ☒ Turnkey Fiberglass Prepackaged Systems
- ☒ Reduced Construction Costs
- ☒ On Time Delivery
- ☒ Superior Quality
